Engaging Curriculum Solutions

ECS

For all your early childhood training and consultancy needs.....

We are an Early Childhood consultancy business which provides resources and training to educators to assist them in engaging with the EYLF and NQS. We provide individualised consultancy and mentorship to services based on their specific needs.

Introducing Kate

Kate has been in the sector for over 20 years. Trained in Early Childhood Education at Macquarie University, Kate spent many years working as a teacher both inside and outside of Australia before commencing her management career. Over the course of her management career Kate has worked in a variety of roles including nominated supervisor, educational leader, start up consultant, regional manager and online program development creative head. Kate is passionate and known for her commitment to quality learning practices and environments, having directed a service as recently as 2016 through the assessment and rating process receiving the coveted exceeding in all quality areas and standards.

Kate's personal philosophy is centred on reaching best outcomes for children through maintaining quality learning programs and environments. Kate bases her practice around her strong knowledge of current sector trends, brain development research and national curriculum/quality standards. Kate's passion as a leader is in inspiring and mentoring educators in this sector which continues to evolve and change.

WHY ARE OUR CURRICULUM SOLUTIONS ENGAGING?

We aim to provide resources and training which engage educators in the Early Years Learning Framework and the National Quality Standards in a way which is meaningful and workable. Training and resources are designed to assist educators in all areas of pedagogical practice. They are practical and relatable for all educators and designed to guide them in finding their own individual approach to their practice. We hope to inspire educators to find themselves as professional pedagogists.

Consultancy services provided will be based on the individual needs of the service and aim to assist you in finding the right approach to the National Quality Standards and EYLF for your individual service. Kate will take the time to understand your service philosophy, community systems, individual educator interests and strengths, and leadership requirements to work together with you in developing your service approach.
